—Miss Clara Hoffman, of Kansas City, a temperance lecturer of great eloquence and power, spoke to a crowded house here Sunday night in the interests of the W. C. T. U. Her telling hints and salient points brought out murmurs of applause and her audience was held spell bound for over an hour. She was especially severe on the use of alcoholic drinks and tobacco, and illustrated her remarks by examples in chemistry. She gave an interesting account of the origin and growth of the order she so ably represents, its prospects, aims, etc. She also showed by comparison what is being done to christianize the world on one hand and to degrade it on the other. Her audience was composed of the thinking citizens of the city.
